

# THE PURE PACKAGE

## Driving Directions by car to The Pure Package

- ▶ Drive along Nine Elms Road until you see the main entrance to The New Covent Garden Market. It is located between the Battersea Dogs home and Bentley Garage, across the road from a petrol station. There is a large BMW garage entrance nearby.
- ▶ There are toll booths ahead go into the lane that says cash. They may ask where you are going.
- ▶ As you enter the road will sweep down under the railway line, as you emerge it will sweep up to the right. (do not follow the instructions into the car park)
- ▶ When you get to the end of the road take a sharp turn back on yourself so that the businesses are on your right and vehicles parked on your left. (The railway track should be on your immediate left)
- ▶ Continue driving. You will start to see businesses located under the railway by your left. On the RHS you will see it open up to a car park. We are a company under the railway, and have distinctive blue pillars outside.
- ▶ You can park your car outside our premises as the official car park is a distance away
- ▶ You will recognise us from the sign outside but may spot our next door neighbours – Tropical.
- ▶ Please feel free to call us at anytime and we will be able to direct you or come out and meet you and show you where to park.
