Driving Directions by car to The Pure Package

- Drive along Nine Elms Road until you see the main entrance to The New Covent Garden Market at: 41-49 Nine Elms Lane, SW8 5AL. This is the entrance to Booker Cash and Carry but put SW8 5AL in your sat nav as you will find the market entrance with more success than with our postcode SW8 5PP.
- It is located near Battersea Dogs home and you will see a large green sign saying New Covent Garden Market at the traffic lights, there is also a large BMW garage entrance nearby.
- There are toll booths at the entrance of the market – go into the lane that says: “cash”. The guards may ask you where you are going. There is an entry charge of £5.00.
- As you enter, the road sweeps down under the railway line, as you merge it will sweep up to the right (Do not follow the car park on your left).
- We are a company under the railway line, in the arches, and have distinctive blue pillars outside. You will see our Pure Package branding / signs and there is also a picnic bench outside.
- You can park directly opposite our premises.
